### School Lunch Information

**Nutrikids is up and running and ready for you to use!** If you'd like to use the web to pay for school lunches, there is a \$1.75 service fee per transaction. However, you may use the Nutrikids website for free to do things like: view your student's account history and set up email reminders when the account balance is low. All you need to do is get your student ID numbers (call the office for that), visit our website, click on nutrition, then Nutrikids online prepay. It will take you to their site and walk you through a very simple 5-step set up. Let us know if you have questions and we'll be glad to assist. If possible, when sending in lunch money with your child(ren), **please send a check**. Students normally turn their lunch money in to their teacher. However, **if you must send cash**, please bring it to the office and we will issue you a receipt. Thank you!

## Mosquitoes are out!

We have contacted the city and Ada county mosquito control. They have sprayed the park for mosquitoes. However, it's a good idea to send a can of mosquito repellent spray with your child(ren) to get through the next month or so. Students may spray themselves at lunch recess to be ready for their afternoon PE classes. Thank you!

**All students, grades 1st thru 8th have P.E. every day all year.** Please make sure they are wearing appropriate clothes and shoes every day. Their shoes need to be tied on snugly to give them good support. **Students who come to P.E. without proper shoes will have their grade**

**The ZONE** at
