LUNCH

Nutrikids is up and running and ready for you to use! If you'd like to use the web to pay for school lunches, there is a \$1.75 service fee per transaction. However, you may use the Nutrikids website for **free** to do things like: view your student's account history and set up email reminders when the account balance is low. All you need to do is get your student ID numbers (call the office for that), visit our website, click on nutrition, then Nutrikids online prepay. It will take you to their site and walk you through a very simple 5-step set up. Let us know if you have questions and we'll be glad to assist. If possible, when sending in lunch money with your child(ren), **please send a check.** Students normally turn their lunch money in to their teacher. However, if you must bring cash, please bring it to the school office. Thanks!
